## NEWS RELEASE

April 6, 2010

### DOT Pursues Alternate Financing Arrangements

**CALGARY**, Alberta – DOT Resources Ltd. (TSX-V: DOT) (“DOT” or the “Corporation”) announces that further to its press releases dated March 26 and February 18, 2010, the Corporation has not been able to complete its previously announced proposed financing.

Accordingly, the Corporation is now pursuing other alternatives with the intention of still attempting to raise capital funds which will be used to continue the Corporation’s exploration program on the DOT property as well as for general working capital requirements.

Terms of any future financing will be communicated once finalized.

#### **ABOUT DOT**

#### **Forward-Looking Statements**

*Certain statements contained in this news release constitute "forward-looking statements" as such term is used in applicable Canadian and US securities laws. These statements relate to analyses and other information that are based on forecasts of future results, estimates of amounts not yet determinable and assumptions of management. In particular, statements concerning obtaining future financings and other factors or events described in this news release should be reviewed as forward-looking statements to the extent they involve estimates thereof.*

*Such forward looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Corporation to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such risks and other factors include, among others, general market conditions and such other business risks as discussed herein and other publicly filed disclosure documents. Although the Corporation has attempted to identify important factors that could cause actual events or results to differ materially from those described in forward-looking statements, there may be factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate as actual results and future events could vary or differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements contained in this news release.*

*Forward-looking statements are made based on management's beliefs, estimates and opinions on the date the statements are made and the Corporation undertakes no obligation to update forward-looking statements should these beliefs, estimates and opinions or other circumstances change, except as required by applicable law. Investors are cautioned that such forward-looking statements involve risks and uncertainties. The forward-looking statements contained herein are expressly qualified by this cautionary statement.*
