DOT Provides Progress Report on Audit Status

CALGARY, Alberta – DOT Resources Ltd. (TSX-V: DOT) (“DOT” or the “Corporation”) is providing this bi-weekly Default Status Report (the “Report”) in accordance with National Policy 12-203 – Cease Trade Orders for Continuous Disclosure Defaults (“NP 12-203”). On April 11, 2014, the Corporation announced (the “Default Notice”) that it expected a delay in filing its 2013 annual audited financial statements, management’s discussion and analysis and CEO and CFO certificates (collectively, the “2013 Annual Audited Financial Statements”).

This Report confirms that the auditors for DOT have begun to work on the audit of the Corporation’s 2013 Annual Audited Financial Statements, and the Corporation expects to file these statements on or before June 30, 2014.

Until the 2013 Annual Audited Financial Statements are filed, DOT will continue to satisfy the requirements of Section 4.4 of National Policy 12-203 - Alternative Information Guidelines (“AIG”) by issuing a bi-weekly report in the form of a news release.

Pursuant to the requirements of AIG and subsequent to the Corporation’s news releases of April 11, May 2 and May 16, 2014, the Corporation reports no material changes to the information provided therein nor has there been any failure by the Corporation in fulfilling its stated intentions with respect to satisfying the AIG. In addition, there has not been any other specified default by the Corporation under NP 12-203, nor are any defaults anticipated. There is no other material information concerning the affairs of the Corporation that has not been generally disclosed.

Forward-Looking Statements

Certain statements contained in this release constitute "forward-looking statements". These statements relate to future events or future performance. The use of any of the words "could", "intend", "expect", "believe", "will", "projected", "estimated" and similar expressions and statements relating to matters that are not historical facts are intended to identify forward-looking information and are based on the Corporation's current belief or assumptions as to the outcome and timing of such future events. Actual future results may differ materially. In particular, this release contains forward looking statements relating to the audit and filing of the 2013 Annual Audited Financial Statements. Various assumptions or factors are typically applied in drawing conclusions or making the forecasts or projections set out in forward looking statements. Those assumptions and factors are based on information currently available to the Corporation. The material factors and assumptions with respect to the audit and filing of the 2013 Annual Audited Financial Statements include the auditors not encountering anything out of the ordinary that would cause the auditors not to be able to complete the audit as anticipated. Risk Factors that could cause actual results or outcomes to differ materially from the results expressed or implied by forward looking statements include, among other things: general economic and business conditions, and political and social risks. Forward-looking statements contained in this release are made based on Management's beliefs, estimates and opinions on the date the statements are made and the Corporation undertakes no obligation to update forward looking statements and if these beliefs, estimates and opinions or other circumstances should change, except as required by applicable law. Because of the risks, uncertainties and assumptions contained herein, investors should not place undue reliance on forward looking statements. The forward looking statements contained herein are expressly qualified by this cautionary statement.
